are there? How do you know?

Calendar Collector
Key Questions

Is the total number of coins the same as the
total amount of money? Why or why not?

Calendar Collector
Key Questions

How many more pennies do we need to have
an equal number of pennies and nickels?

Calendar Collector
Key Questions

How can we use this information to
tell us more about our collection?

Calendar Collector
Key Questions

Which row has the most? Which
row has the least?

Days in School
Key Questions

How many squares are marked on
The Days in School Chart? How do you
know? Is there another way to tell?

Calendar Collector
Key Questions

Is the total number of nickels greater than
or less than the total number of pennies?

Days in School
Key Questions

What number comes next? How do you know?

Days in School
Key Questions

How many 5s are in a given
number? Can you prove it?

Computational Fluency
Key Questions

How many more school days until we
make a 5? 10? Can you prove it?

Days in School
Key Questions

How many more school days until we
make a 5? 10? Can you prove it?

Number Line
Key Questions

What number comes next? How do you know?

Computational Fluency
Key Questions

What is the same about all of the double ten-
frame cards displayed? What is different?

Number Line
Key Questions

What number comes before
[*any given number 0–19*]?

Computational Fluency
Key Questions

What number comes next? How do you know?

Number Line
Key Questions

What number will it be in 3 more days? What
number was it 2 days ago? Can you prove it?

Computational Fluency
Key Questions

How many 5s are in a given
number? Can you prove it?

Number Line
Key Questions

What number(s) come(s) between [*two
given numbers*]? How do you know?
