

PRINTABLE MANIPULATIVES

Published by  The MATH LEARNING CENTER *Salem, Oregon*

Bridges in Mathematics Printable Manipulatives

Use these masters to create individual student sets of Bridges manipulatives. You may also want to print certain items from the Component Masters for each grade. Find the Component Masters at bridges.mathlearningcenter.org/curriculum. For more information, refer to the Master Materials Lists at bridges.mathlearningcenter.org/2020-21.

Print the number of pages shown below for every 10 students.

Cut the pieces apart and sort them into a bag or container for each student.

Take care to print at 100% (actual size) with no reduction or shrinking of pages.
