

# Work Place Sentence Frames

## KINDERGARTEN • UNIT 5

Make 3 copies of this set on heavy paper or card stock to include in your Work Place bins.

Each set of sentence frames is marked with the Work Place for which it is intended.

A star (★) indicates a set more suited for advanced students or those who have visited the Work Place before.

Many of the blanks are intended to be filled in with a number. Others will be filled in with words or phrases. More complex sentences have prompts below the blanks to indicate what should be filled in (as with Mad Libs).
